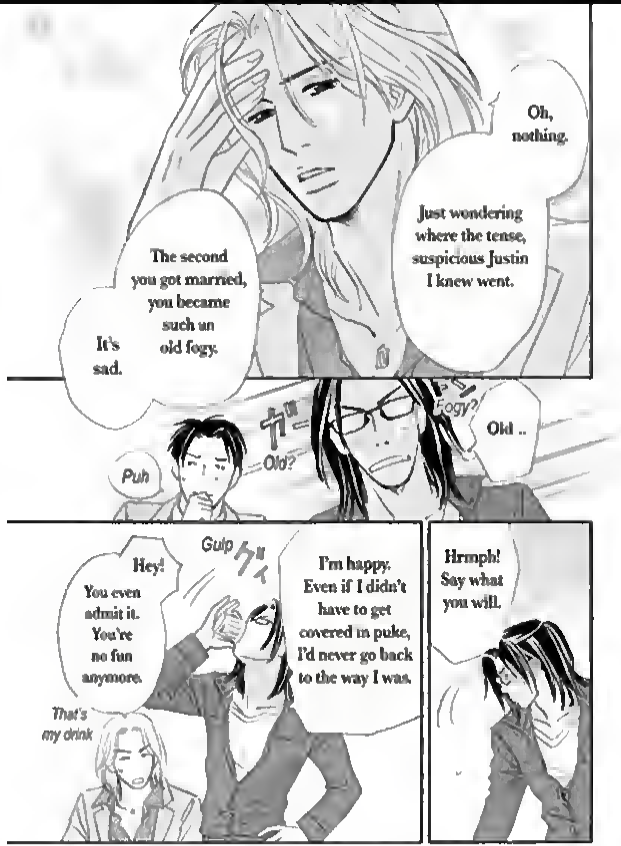
Sounds pretty rough, Justin.
The house is in an uproar, trying to keep the other kids from catching it.
One of the twins caught the mumps.
S-sorry, Dylan, Michael.
Sigh
Hm?
What's your problem, Dylan?
Yeah. I can't let Amy deal with it by herself.
I'm going to have to leave early tonight.



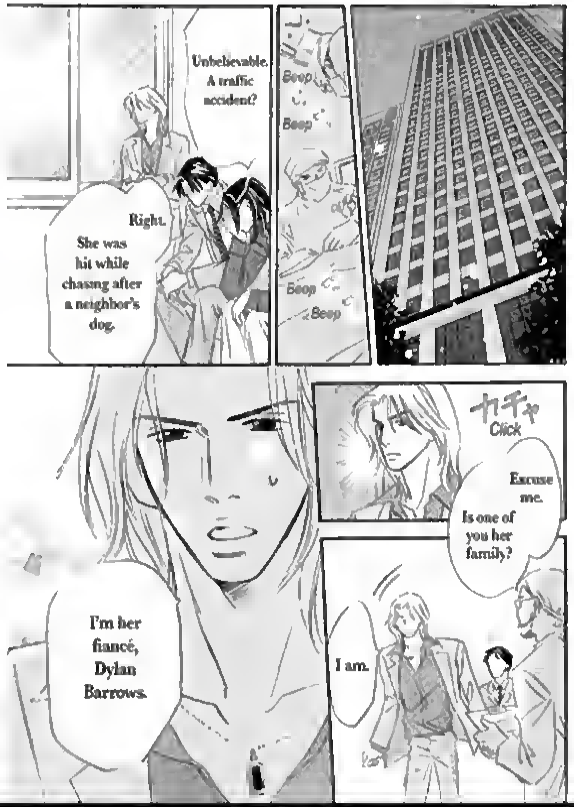
Oh, nothing.
Just wondering where the tense, suspicious Justin I knew went.
The second you got married, you became such an old fogy.
It's sad.
Fogy?
Old ..
Old?
Puh
Hey!
You even admit it. You're no fun anymore.
Gulp
I'm happy. Even if I didn't have to get covered in puke, I'd never go back to the way I was.
That's my drink
Hrmph! Say what you will.

Excuse me.
Sure.
Except...
Ring Ring
Whoops.
Sorry.
That aside, what about your millionaire's club project?
How's the medical research going, Dylan?
It's fine. I'm not slacking off, Michael.
The Millionaire's Club.
Damien
Who was it?
A secret, charitable organization of 3 millionaires, Michael Hawkins, Justin Langdon and Dylan Barrows

...has only one single member. You, Dylan.
Now, our millionaire's club...
You're quite the turncoats.
Yeah...
So many girls! Blondes, ... brunettes, etc.
I thought you'd be the first to get married.
Sorry to disappoint. It's who I am, and I don't intend to change.

All right.
I'll take you. You can't drive in this state.
Can you walk, Dylan?
Stagger
Michael
I have to go right now.
I have to go.
What's wrong?
H-hey.
Dylan?
Who's critical?
Hey!
Huh?
What's wrong, Dylan?
Michael.

Clatter
They are not only all millionaires in their own right...
...but also alumni from the Grainger Home for Boys.
F-fine.
Which hospital...?
Right.
Critical?
How?



Unbelievable. A traffic accident?
Right. She was hit while chasing after a neighbor's dog.

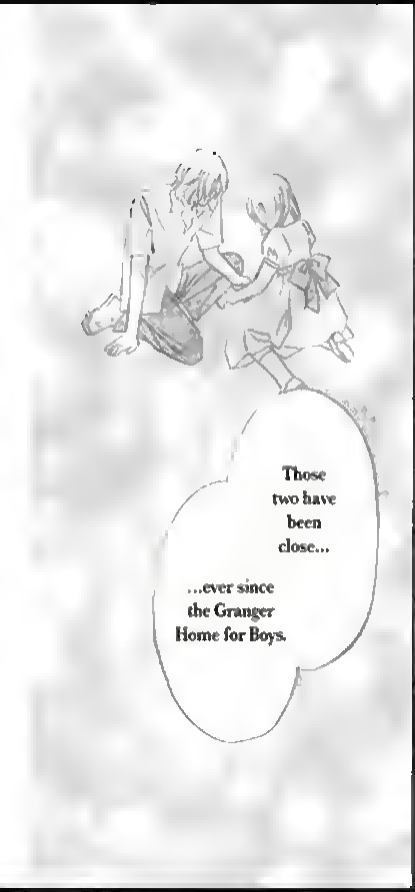
Excuse me. Is one of you her family?
I am.
I'm her fiancé, Dylan Barrows.

There's only one person alive that can make Dylan Barrows go this pale.
Oh ...
Alisa Jennings.

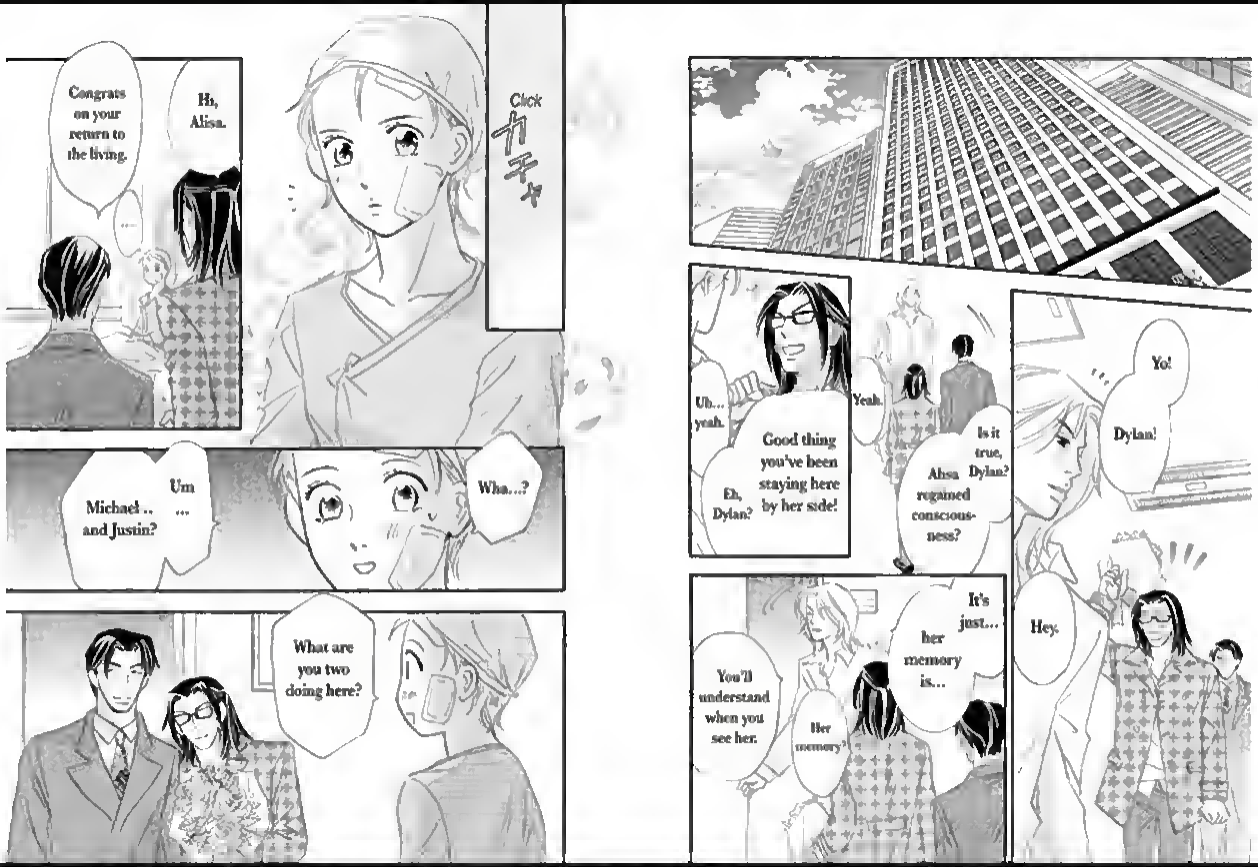


Those two have been close...
...ever since the Granger Home for Boys.

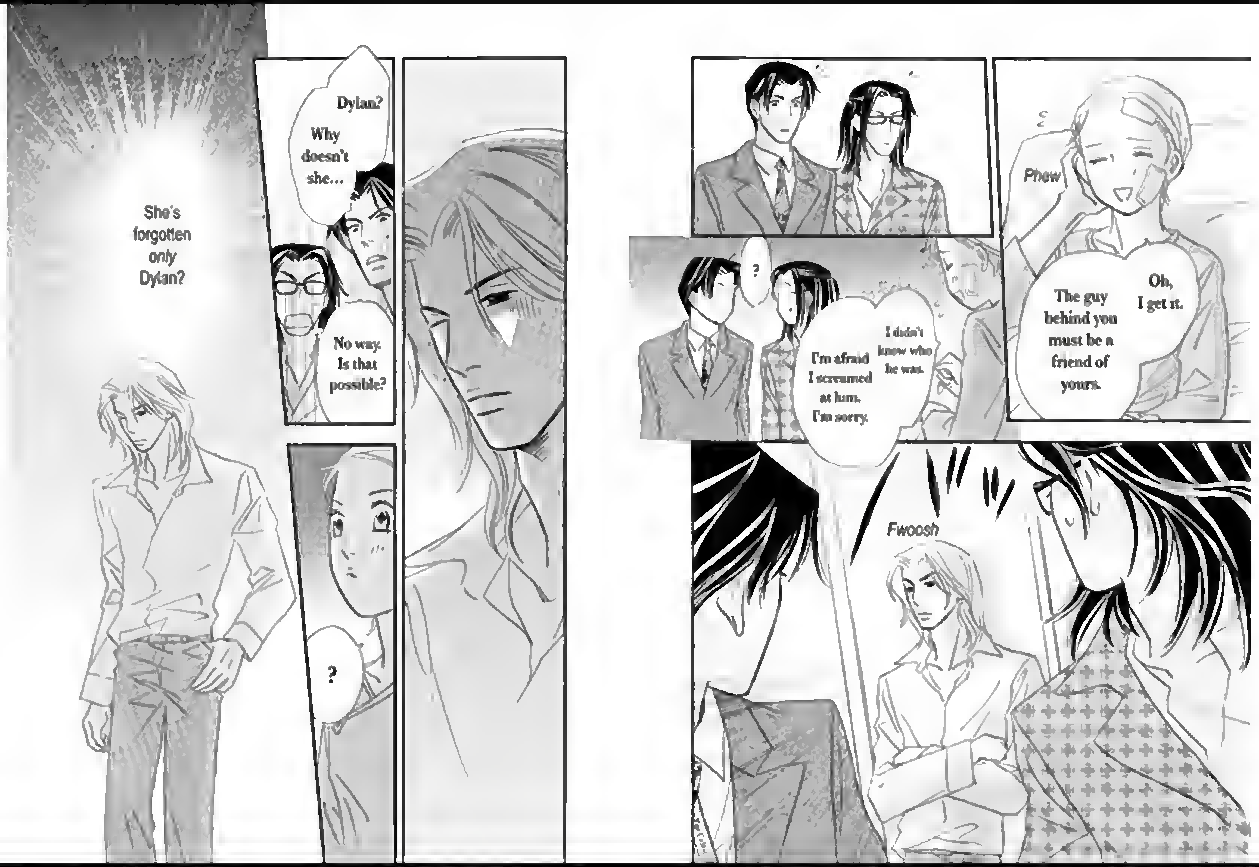
It was...
complicated.

Whoa ... Since when is Dylan engaged to Alisa?
Click
Right this way.
Her mother is on holiday in Russia.

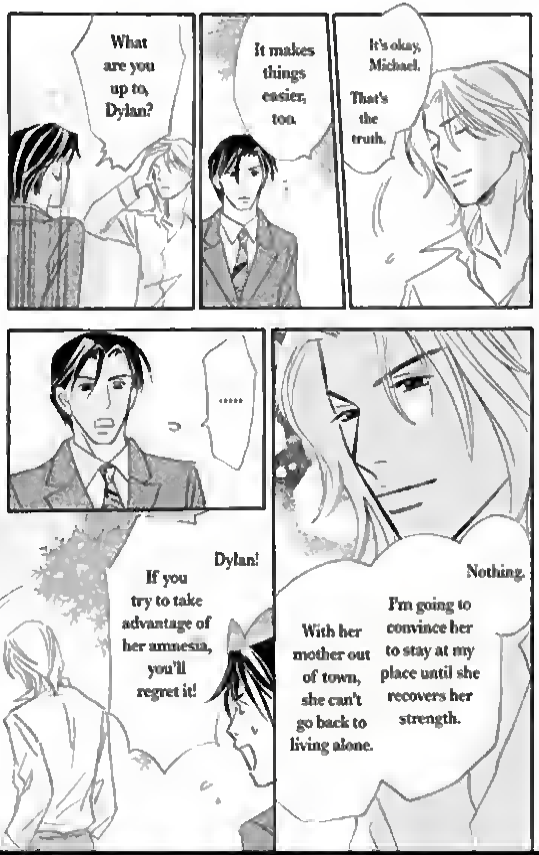
No idea. Well, those two did *date* a long time ago.
If he cares that much about Alisa..
...why did they ever break up?
Yeah. I've never seen Dylan that upset in my life.
We'll just have to wait and see.



Click
Congrats on your return to the living.
Hi, Alisa.
...
Um ...
Michael .. and Justin?
Wha...?
What are you two doing here?
Yeah.
Uh... yeah.
Good thing you've been staying here by her side!
Eh, Dylan?
Is it true, Dylan?
Alisa regained consciousness?
Yo!
Dylan!
Hey.
It's just... her memory is...
Her memory?
You'll understand when you see her.



She's forgotten only Dylan?
Dylan?
Why doesn't she...
No way. Is that possible?
?
Fwoosh
I'm afraid I screamed at him. I'm sorry.
I didn't know who he was.
?
The guy behind you must be a friend of yours.
Oh, I get it.
Phew



What are you up to, Dylan?
It makes things easier, too.
It's okay, Michael. That's the truth.
.....
Dylan! If you try to take advantage of her amnesia, you'll regret it!
Nothing. I'm going to convince her to stay at my place until she recovers her strength. With her mother out of town, she can't go back to living alone.

We'll just have to wait for her to remember on her own, without pushing her.
The doctor said... ...that some temporary confusion is common.
Justin!
Hmm... Maybe she's filtered out the unpleasant memories?
That's convenient.
It's ironic that Dylan's the only one she can't remember.
No. She remembers the youth home, but not that I was there.
She can't remember you from our childhood, either?

Pray for me.
Whichever outcome you choose.
Dylan!
Justin! Say something!
Or...
...it could lead to my downfall... to losing her forever.
Dylan!
This...
...could be a chance from God to get Alisa back.

I feel like I finally understand, now.
Destiny only flows the way it will flow.
That's why...!
All we can do is what Dylan said!
Grab
We didn't have our parents' guidance...
...growing up in the Granger Home for Boys.
Gotta buy something for the missus
Justin ...
Dylan never actually said that.
Shut up and watch over them!

Exactly.
What?
I hope it works out, of course.
Which outcome will you be praying for, Michael?
Have you forgotten, Michael?
It's a miracle that we've changed.
Before I met my wife...
...I know that I never listened to anyone.

Let's get going...

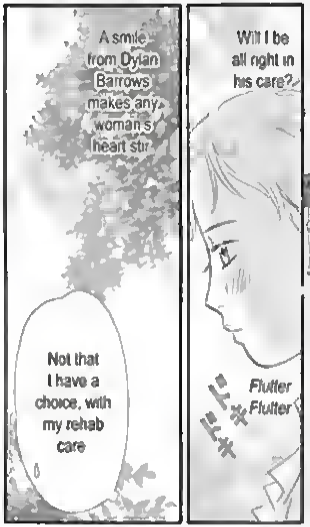
Come on.
Not as much as you do.

Just who are you...?
This place is so beautiful!
Oh, my!

I can even remember my childhood with Michael and Justin.
I can Remember the Granger Home for Boys where my mother worked.



A smile from Dylan Barrows makes any woman's heart stir.
Not that I have a choice, with my rehab care.
Will I be all right in his care?
Flutter Flutter

But when I try to remember Dylan, there's just a blank.
Even though he was supposedly my best friend.

Rustle
That's not what I meant.
Don't treat me like a kid, too!
Does it? It's cute.
Think of it as a reward for surviving your accident.
Can I ask you something?
Dylan?
It's really bothering me.
...I can't remember you?
Why do you think...
And then, there's me

and the bachelor from a romance novel living in it
This beautiful house
Ugh
I'm just tired of this haircut.
It makes me look like such a kid.
N-not really.
What's wrong? Are you tired?

Deep in those eyes just for an instant...

After that, it's nap time. You must be tired.
I'll get a light meal prepared for you.

Maybe I am just a burden on him?

Don't worry. When the time comes, you'll remember everything.
That's the *only* reason you're here.
All right, Alisa?

Are you okay, Alisa?

Alisa!
You chased the dog you were babysitting into the street before your accident.
Must be the dog.
I...was having a bad dream.
I was chasing something, but couldn't catch up to it.
Alisa?
You were moaning.
Ugh

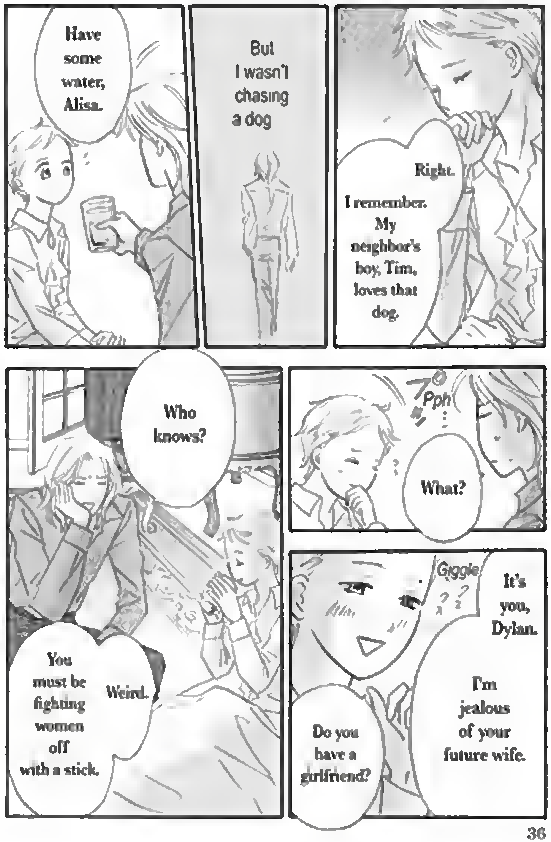
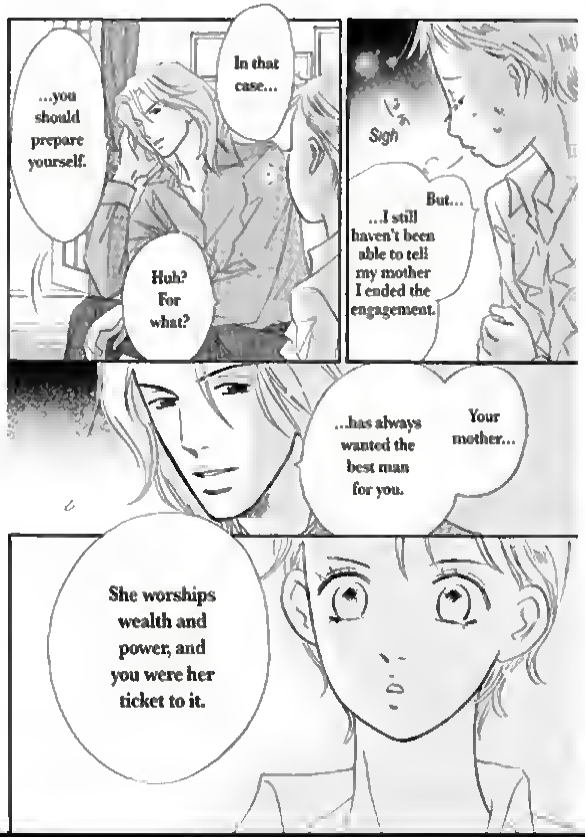
Wait!
Wait! Don't leave me!
Alisa...
Alisa, wake up!
W/Gasp
Noooooo!

Yeah ...
I really know what you mean. I was even engaged once.
If only it were easier to fall for someone.
I have a lot of female friends. A relationship feels like too much work lately.
I know. To the senator from Connecticut.
Oh ...
You knew?
He was kind, and treated me well.
I *wanted* to fall in love with him, but...



Have some water, Alisa.
But I wasn't chasing a dog
Right. I remember. My neighbor's boy, Tim, loves that dog.
Who knows?
You must be fighting women off with a stick.
Weird.
Pph
What?
Giggle
It's you, Dylan.
I'm jealous of your future wife.
Do you have a girlfriend?

Still, it's strange.
She ran the cafeteria at the Granger Home.
Oh, of course you do.
Dylan? You know my mom?
Rise
Sorry, Alisa.
You were a child, but you could tell all that about my mother?
....
I've said too much.
You should get some exercise.

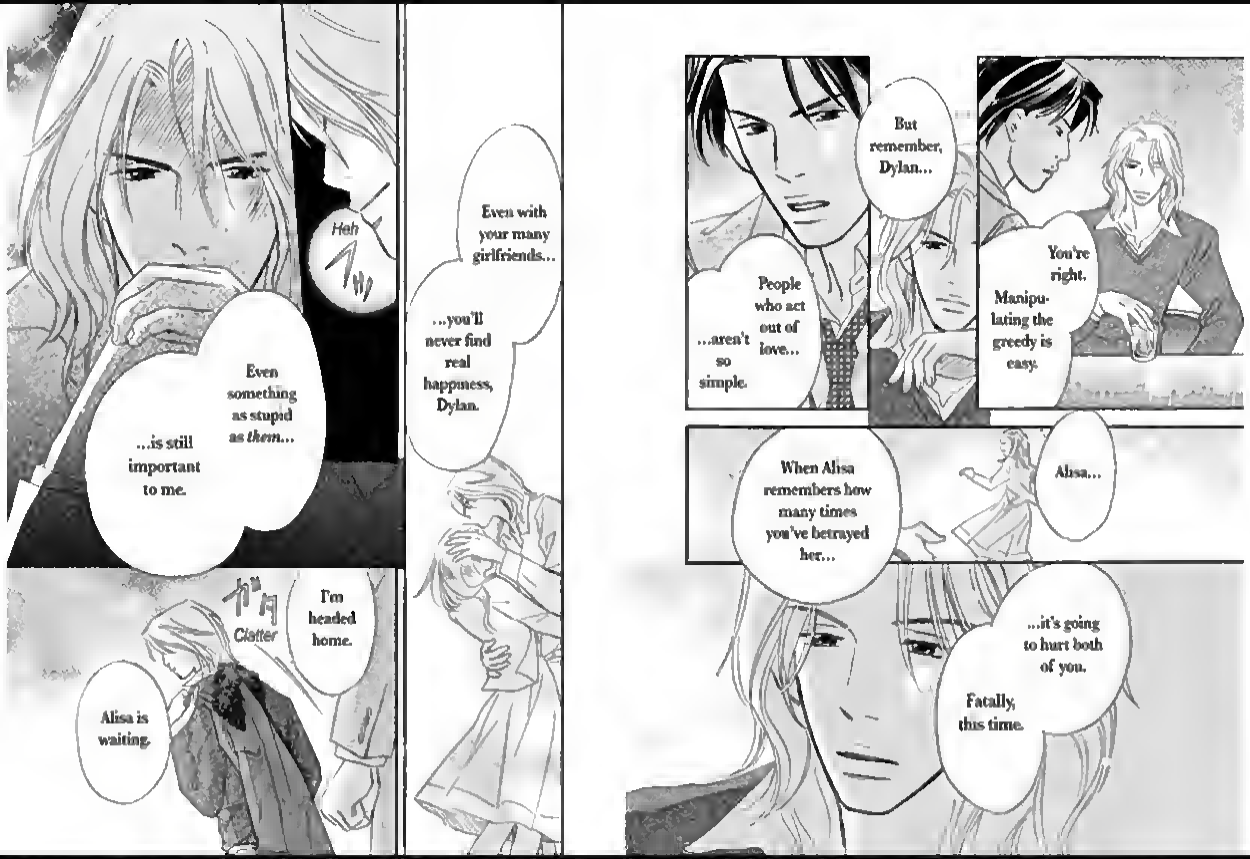


...you should prepare yourself.
In that case...
Huh? For what?
Sigh
But... ...I still haven't been able to tell my mother I ended the engagement.
Your mother...
...has always wanted the best man for you.
She worships wealth and power, and you were her ticket to it.

There he is.
The devil himself.
Hm?
What do you mean by that?
How are things at mumps manor?
Terrible.
The twins are finally better, but now Emily's caught it.
Never mind. How is Alisa?
Getting better. There's no problems yet.
As a child
my mother was just my mother
Back then I never even wondered
about what kind of person my mother was
I have a suggestion.
Would you like to meet my horse, Sir Galahad?
Perk
Of course!

Smile
I have a plan.
No way! No way!
Are you crazy, Dylan?
That's way beyond charity!
Even the millionaire's club doesn't have enough for that!
Now, it's going to let us carry out the plan.
Apparently, my birth father left me his seat on the board of Remington, along with his fortune.
I haven't made any use of that position yet.
Swish
I've laid out the bait. Now I'm waiting for a bite.
Quite the strategist.

Poor Millie
Don't be stupid. I can show her I care by waiting outside her door.
Why? You can't look after her, anyway.
Hurry up with the project report!
So today, I really have to get home early?
Sniffle
Millie won't even let me look after her.
She says she doesn't want me to see her face while she's sick.
Isn't that cute? Even little, she's a lady!
I want to get out of here early, too.
F-fine, Justin.
Actually ...
...I want to start a bio-engineering project at Remington Pharmaceuticals.



Heh
Even something as stupid as *them*...
...is still important to me.
Even with your many girlfriends...
...you'll never find real happiness, Dylan.
Clatter
I'm headed home.
Alisa is waiting.
But remember, Dylan...
People who act out of love...
...aren't so simple.
You're right.
Manipulating the greedy is easy.
Alisa...
When Alisa remembers how many times you've betrayed her...
...it's going to hurt both of you.
Fatally, this time.

It's raining so hard.

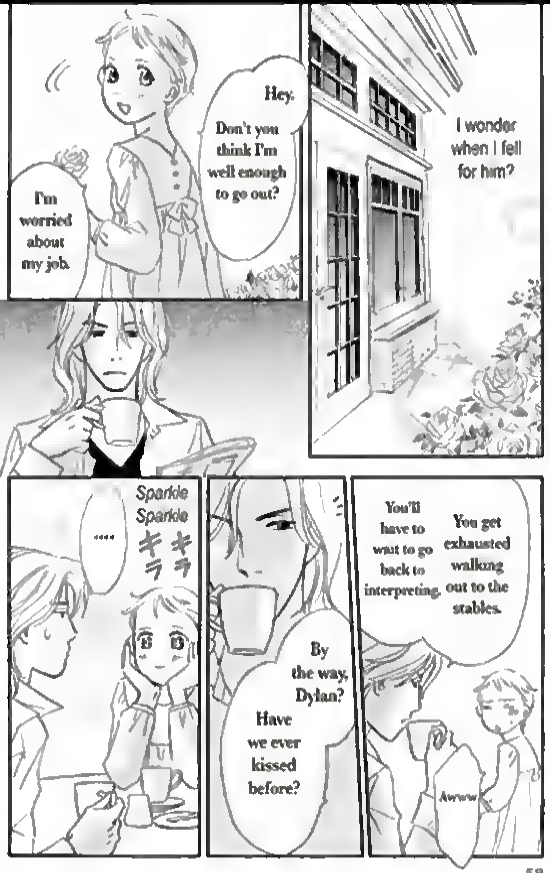
Oh ...
It must have been when she remarried and we moved away.
So that was how my first love ended



Hey.
Don't you think I'm well enough to go out?
I'm worried about my job.
I wonder when I fell for him?
Sparkle Sparkle

By the way, Dylan?
Have we ever kissed before?
You'll have to wait to go back to interpreting.

Then let me put it this way.

What? With this haircut?
It's cute.
I told you.
Your hair-style...
...is sexy, and arousing.

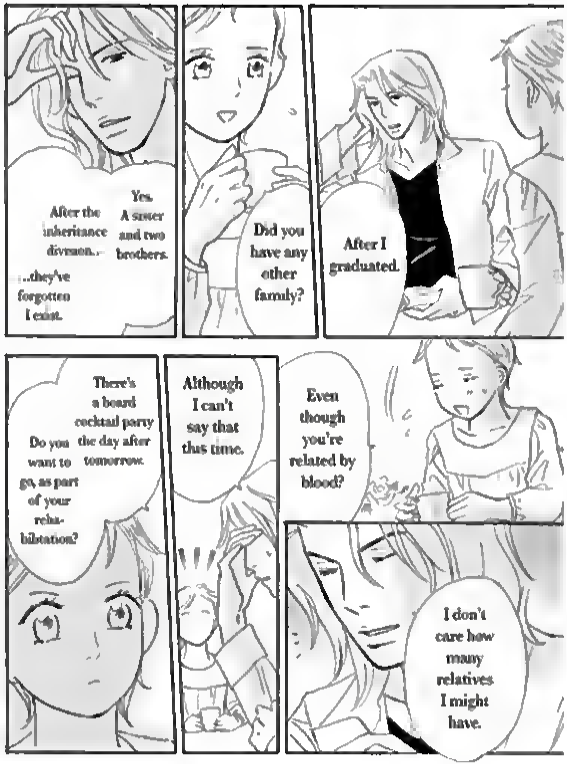
Every time I see this neckline behind your ears...
...it makes me want to touch my lips to it.



After the inheritance divvied...
...they've forgotten I exist.
Yes. A sister and two brothers.
Did you have any other family?
After I graduated.
Even though you're related by blood?
I don't care how many relatives I might have.
Although I can't say that this time.
There's a board cocktail party the day after tomorrow.
Do you want to go, as part of your reha-bilitation?

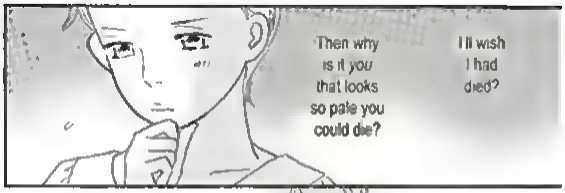
Swish
No matter what you want right now...
...you can't trust your feelings.
Dylan?
Dylan ...?
What would you think?
...but what if something starts now?
I don't know what happened in the past...

Sorry. I'm a bit tired. Excuse me.
If you ever remember me...
...you'll regret coming here so much, you'll wish you *had* died.
.....

You think it was the accident...
...that made you lose your memory.
You're wrong.
You forgot me because you wanted to erase me from your life.

Are you ready?

Hmm.
Well, well.
I'd almost like to sweep you off your feet.



Then why is it you that looks so pale you could die?
I'll wish I had died?

Maybe it's you?
I thought I was the one who was supposed to have regrets
What on Earth happened
between me and Dylan?

Of course.
I can wait to get what I want.
You're up to something, Dylan.
There's no reason to stay longer than that.
We're only here to lay some groundwork.
What's he doing here?
Rabble
Huh?
You're kidding.
Whisper
Whisper
Look. Isn't that...?
No way to know if it's true.

There was no reason to worry about my haircut.
I'm standing right here
I haven't seen you around here before.
Hmph
Hi! How are you?
You know, I've heard rumors of someone who's never come to a Remington family function before.

...we had just met again at a college club meeting
I remember
It was the first time we were together

Stagger

What's ...?
My head is splitting.

"Don't spoil my fun, Alisa."
But Dylan didn't feel the same way
He was my first kiss.

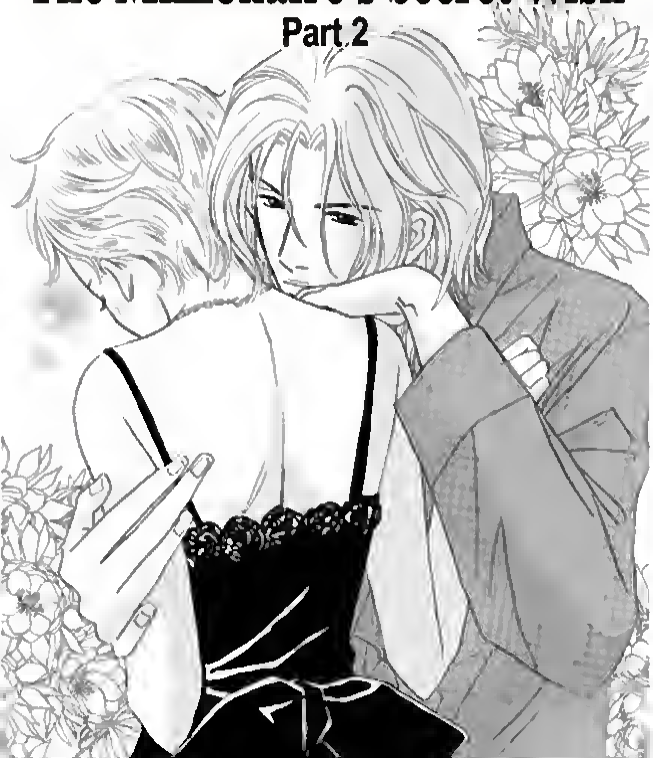
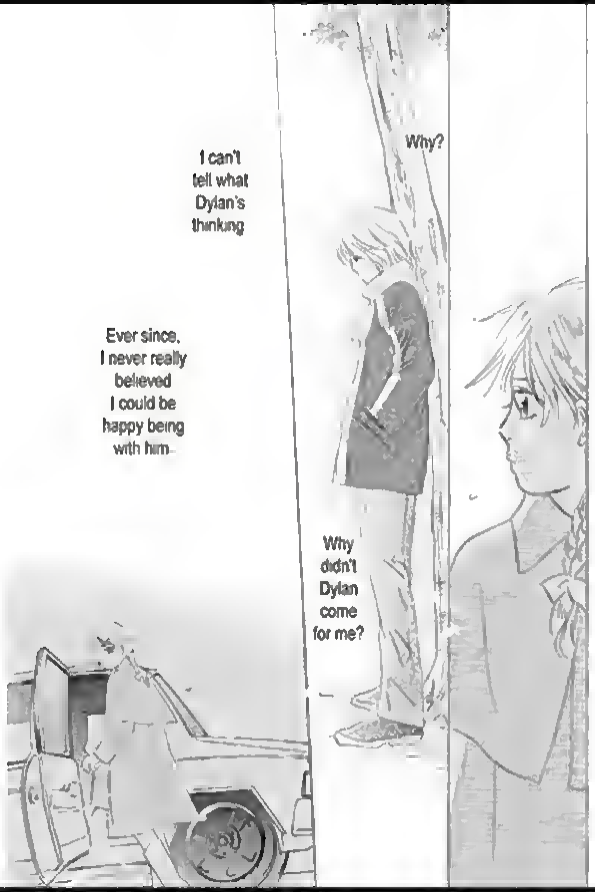
The Millionaire's Secret Wish

Part 2



We decided to run away together.
When we were young, and naive ..
...we were so scared of being torn apart.
I waited at our meeting place...
...but Dylan never came

I remember everything.
It wasn't the only time Dylan betrayed me.



I can't tell what Dylan's thinking
Why?
Ever since, I never really believed I could be happy being with him-
Why didn't Dylan come for me?

....
...Mom?
After that...
...she moved us to her new husband's place, without letting me see Dylan again.
She just picked me up out of the cold and carried me home.
She didn't say anything.

Don't take this the wrong way, but...
Alisa was still recovering
This is all my fault.
More importantly, how is she?
Better.
Thank you for calling the doctor.
Until now, your own family meant less to you than most strangers.
...I'm relieved to see your concern for her.
Grant.
Thank you for lending me a room.
Even so...
why can't I keep from wanting him so much?
This house is Remington property, Dylan.
Not a problem.

N-n..
Gasp
My target is whoever's in line to take over as CEO of Remington pharmaceuticals
Then I'll get the votes I need to start up a new project within the company.
A-Alisa..
Are you okay?
Things are going so well, it's almost disappointing
Well, that's fine I never wanted to get to know them, anyway

Thanks, Grant.
See you again soon.
I'll just be going, then.
Me, too, Grant Remington.
I'm glad we had this chance to talk, Dylan Barrows.

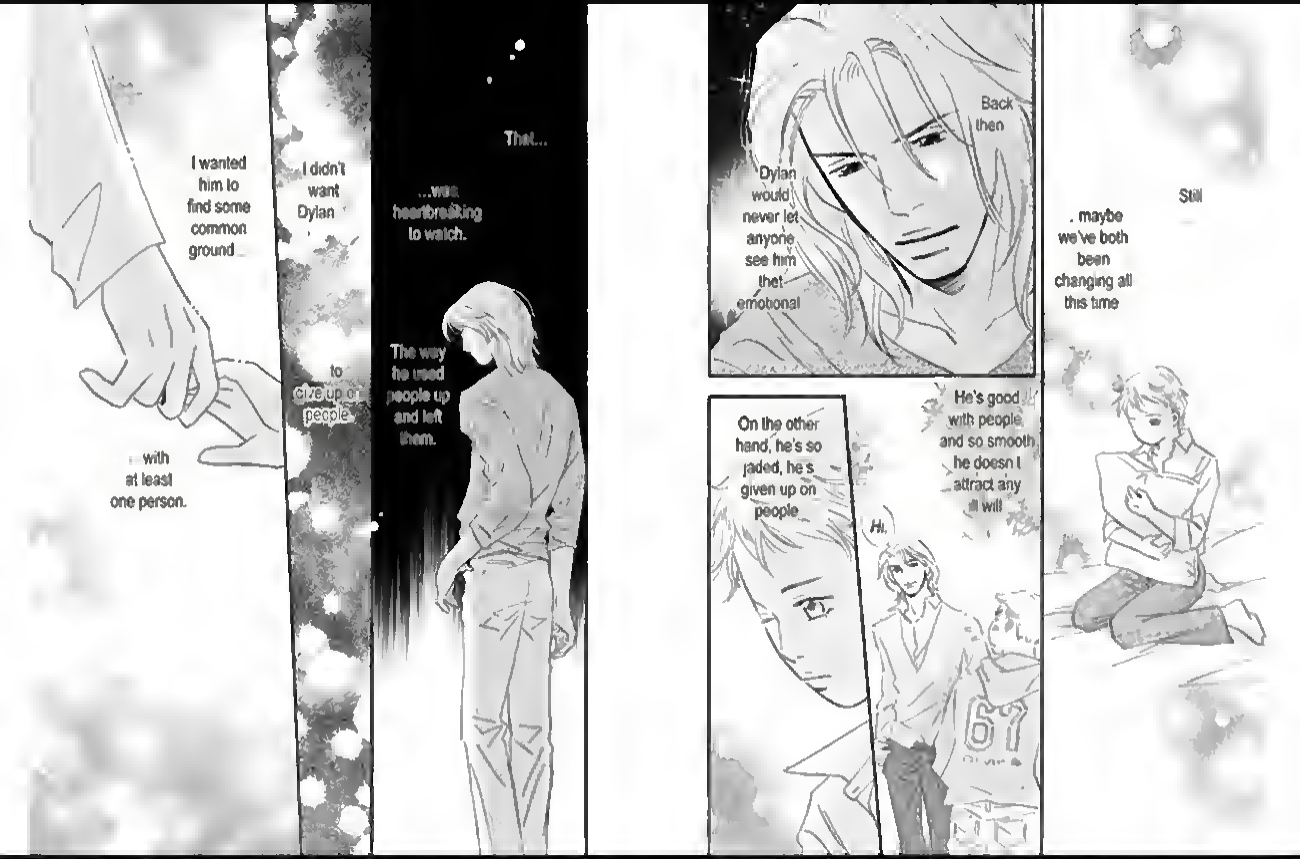
And I still promised to stay here another whole week!
I know this is the way that Dylan talks women out of their clothes!

Please, Alisa...
Alisa...
Alisa.



I wanted him to find some common ground...
...with at least one person.
I didn't want Dylan to give up on people.
That...
...was heartbreaking to watch.
The way he used people up and left them.
Back then
Dylan would never let anyone see him that emotional
On the other hand, he's so jaded, he's given up on people.
He's good with people, and so smooth he doesn't attract any ill will.
Hi.
Still
. maybe we've both been changing all this time

Our little brother is in Bangladesh, finding himself.
Our sister... has been bedridden since you saw her at our party.
Oh, Dylan. About our other siblings ...
So, Grant...
...what brings you here when the rest of the family avoided it?
Wow! What a fun family!
She thinks that staying in bed will make the cold reality disappear.
Honestly, she's just like our mother.
I wish she'd grow up.
You're quite a straightforward girl.
You're much more interesting on your feet.
... Thank you?

Thank you for coming.
Welcome, Mr. Grant Remington.

Alisa. You look well.
I'm glad.
Sorry for the bother the other day.
I'm feeling fine now.

Even if_
it's not with me.

Outstanding records aren't always the best.
The employees expect too much of you.
Dylan.
You were at college on scholarship, right?
Yes, that's right.
What about it?
That's why I need to know.
Are you out to lead Remington Pharmaceuticals?

I came to ask a favor of you.
Dylan?
I'll be straight with you, too.
Smirk
We can talk shop in the yard...
...Mr. Remington.

A private charity.
That will cost a fortune!
Bio-engineering...?
From where?
Yes, but I've already secured the first year's operating costs.
Bloodlines are very strange.
I hadn't thought about him since his funeral.
You reminded me of our father, just now.
All right. I promise to back you up.
Slump

I'm glad you're on our side.

Then, can I count on your vote for me to take over?
I have no interest in being CEO, Grant.

Rustle
I need your help to make it happen.
I want to start a new bio-engineering research project at Remington Pharmaceuticals.
I have a favor to ask in return.

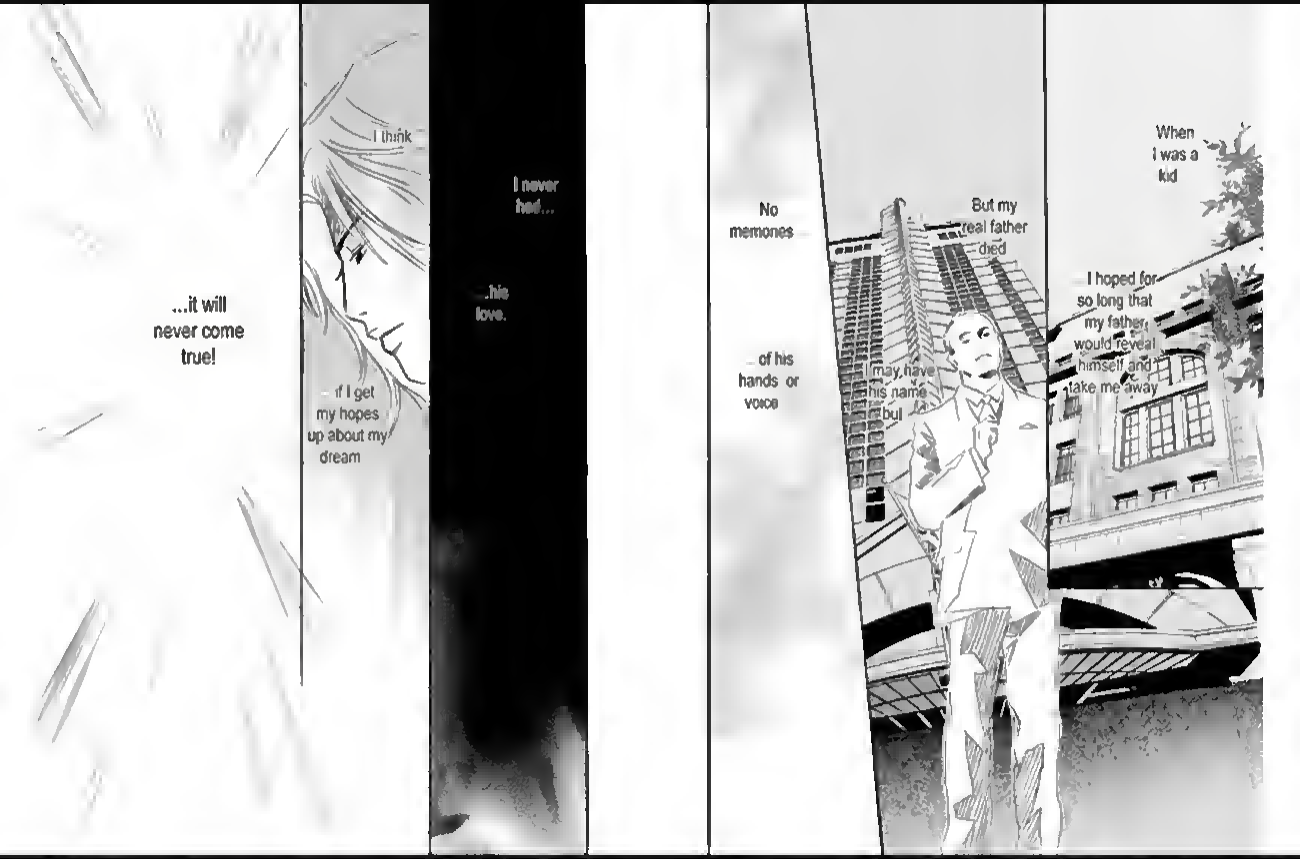
Even so
I'm nothing like you
Even so, Grant.
I'll see you at the board meeting.
Well ...
It's late. I should go.
I'm glad we had a chance to talk, Dylan.
Right. Good night, Grant.
My brother and sister...
...can't recall a single time he ever held us.
He took over his own father's company.
It became a massive enterprise.
But as a father, he was full of faults.
I don't know anything about our father.



...it will never come true!
I think
if I get my hopes up about my dream
I never had...
...his love.
No memories
of his hands or voice
But my real father died
may have his name but

So what?
She's been moving around a lot on her vacation, so...
I finally got in touch with your mother.
So stay until then.
She's going to arrive the day after tomorrow.
Anyway, she's coming back.

If that had happened when you were alone...!
Alisa!
You fell to the ground right before my eyes!
Wait a minute, Dylan!
I'm doing fine now!

Goodbye, Dylan!

How could you give up on marriage so easily?
You couldn't imagine it?
We talked about it, and broke it off.
Sean and I couldn't really imagine ourselves getting married.
Mom.
We ended our engagement 3 months ago.
What's the matter, Mom?
There's nothing to talk about. I told him we should end it!
He can't just dump my little girl like this!
I'm going to talk to Sean!
Mom!
Oh no!
Oh... I forgot she was back
Alisa! Are you all right?
Clatter
Alisa!

Where is Sean?
By the way...
Did he drive you here? I wanted to meet him.
I don't have the energy for this
Oh, right
Um...

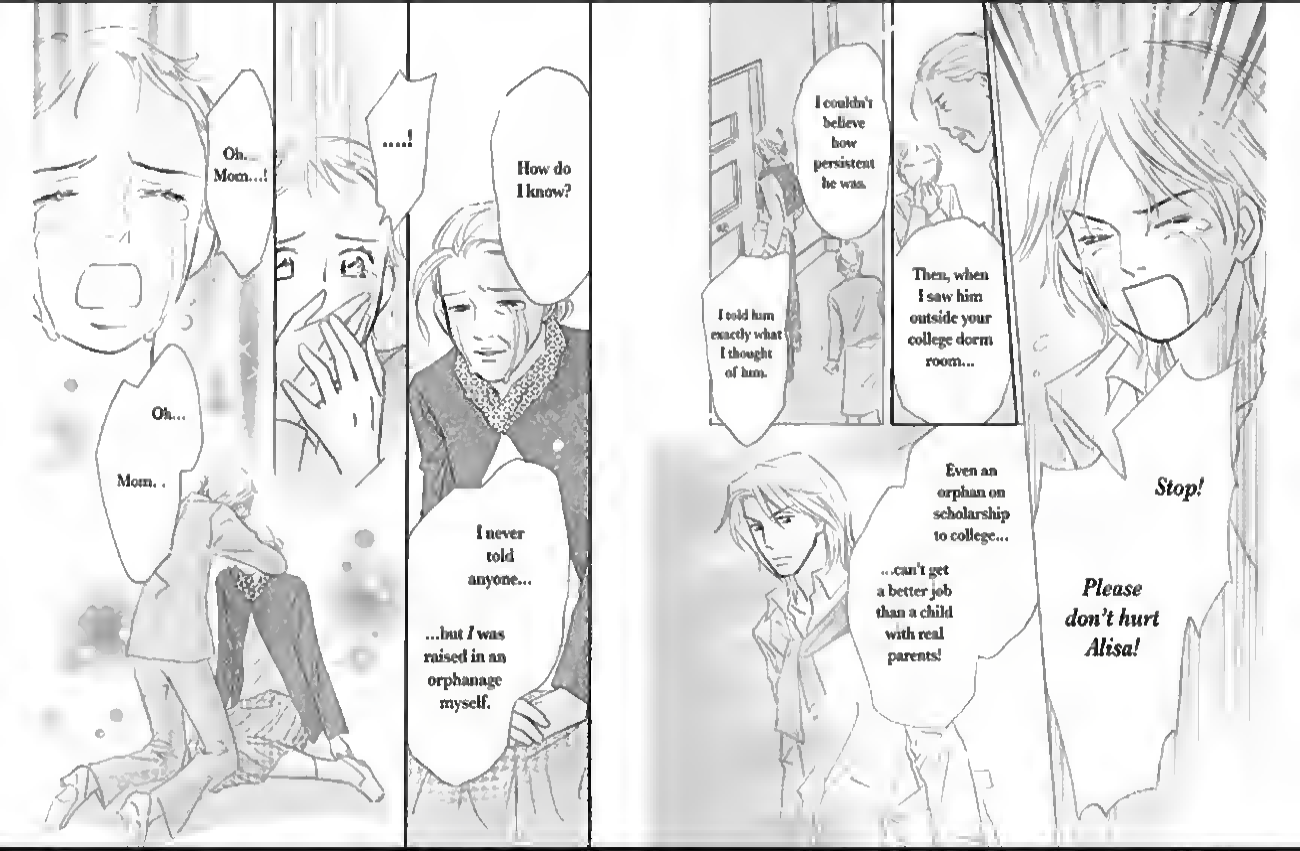
I haven't told Mom I broke off the engagement

How could this happen?
Now, Dylan...
...can't even look at my daughter any more!
M- Mom...?
What are you saying...?
That wretched boy...!
He's probably laughing at us, right now!

Senator Sean was the only one who could beat him...
It's not fair
Then, after I got rid of him, he inherits a CEO position at a major company...?
Over and over...
After everything I did to chase him away...
Why...? How could you end it?
Wh- Why...?

How could I let a gutter orphan like you...
...ruin my daughter's life?
I even remarried to get you away from him... When I found your bags packed.
How could I let him touch my only daughter?
Who knows where that boy came from?
Unlike me, my girl...
...was born so pure.
I'd rather see her...
I'd rather ...
If it means letting the likes of you defile her...

Mom...?
What did you do to Dylan...?
...when I saw that boy touch my little girl...
...it sent shivers down my spine.
The kids at the home were so full of hurt.
I felt sorry for them, but...
Answer me, Mom!
Or I'll go ask Dylan, right now!



Oh... Mom...!
....!
How do I know?
Oh... Mom. .
I never told anyone...
...but *I* was raised in an orphanage myself.
I couldn't believe how persistent he was.
I told him exactly what I thought of him.
Then, when I saw him outside your college dorm room...
Even an orphan on scholarship to college...
...can't get a better job than a child with real parents!
Stop!
Please don't hurt Alisa!

Alisa... Does that mean you're dating Dylan again?
...I have to go.
I wish I'd never met you!
I... ...have to apologize to Dylan.
And still, I left Dylan all alone again
Huh?
Um...
Not yet.
Gasp
I ...

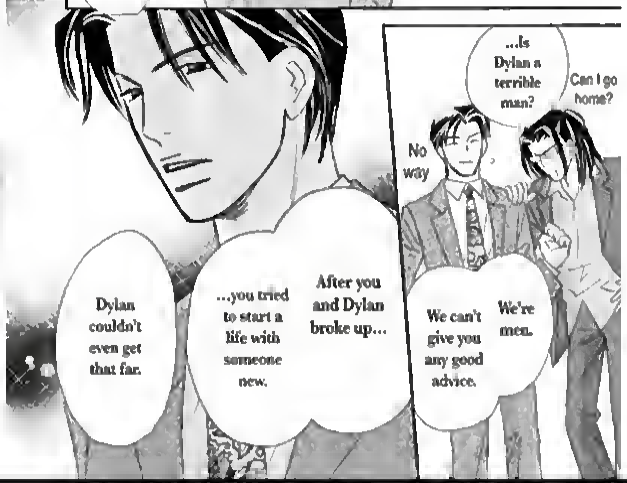
I'm sorry. For all the pain... ...I've put you through, Mom.
I can't believe that I was the one responsible for hurting Dylan, all this time

I know the truth.
You three... ...are hiding something.
What?
Stop looking at me like that!
All I want...
...is to apologize to Dylan.
But if I wait for Dylan to come back...
...it will be too late.
Too late...

La République
.....
....
...So? Why did Alisa Jennings call us together, Michael?
Don't ask me, Justin.
About why Dylan *disappeared*.
You both know something.

Lying to himself.
...but it's been hard to watch Dylan all this time.
He might look like he's enjoying being with different women every night...
He's always been alone.
And he still is.
...!
L...
L...
What can I do?
How can I make it up to him?
Drip
Drip

Or...
...is Dylan a terrible man?
Please.
Do you two think of me as a terrible woman?
None.
Any idea what she's talking about?



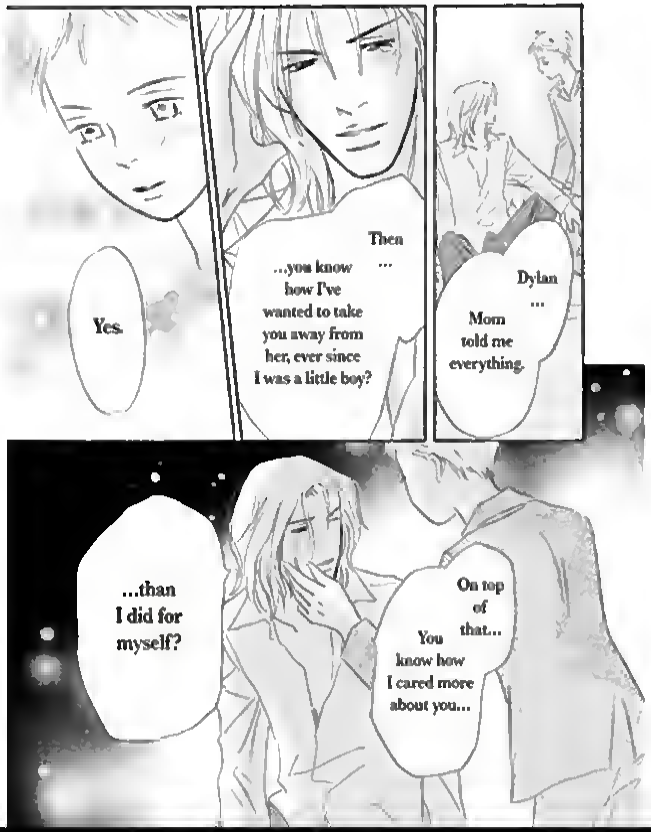
Dylan couldn't even get that far.
...you tried to start a life with someone new.
After you and Dylan broke up...
We can't give you any good advice.
We're men.
No way
...Is Dylan a terrible man?
Can I go home?

Michael! Justin!
Thanks!
I'm going to him!
Alisa!
Dylan's at his place in Belize!
You're the only one.

Isn't that up to you, Alisa?
Whether it's a year, or 10 years later...
...you're the only one who can open the door for him.
I mean, you're the only one he cares about.

Roar
Dylan...
...finally lost the bet.
Oh.
What are you doing in this dark room?

Hurry, Alisa!
You can probably still make the last flight.
Justin. Cheers.
Yeah. Cheers, Michael.
There she goes.
Yeah.
To the Millionaire's Club.



Yes.
Then ...
...you know how I've wanted to take you away from her, ever since I was a little boy?
Dylan ...
Mom told me everything.
...than I did for myself?
On top of that... You know how I cared more about you...

What are you doing here?
How ...
Alisa ...?
....
To tell you about all the years...
...that I've been in love with you.

I love you.
Yes.
I'm ready for that, too, Dylan.

Fine.
I want to hear the whole thing.
It'll take more than a week to tell.
It's a long story.

But first, let me kiss you.
Then I'll never let the story end.

That...
...I'm hearing for the first time.
